## IL SOGNO (*THE DREAM*) BIANCHI

Immediately pleasing, if a wine can be summed up in two words, Il Sogno would suffice to describe it. Right out of the bottle, it warms the eyes, the fine and constant effervescence tickles the lips; the crisp and tropical odors immediately give way to flowery sweetness. Smooth going into the mouth, it slowly opens up, alternating fruity sweetness with a tanginess from the bubbles until it reaches its full expression of mature fruit; the aftertaste is fresh and clean, midway between smooth and acid with the latter getting the upper hand.
